

Graffiti Eater All Rounder

DESCRIPTION

Graffiti Eater All Rounder is a solvent based graffiti removal agent that has been formulated to break down spray paints, texta pens, liquid paper, crayons, etc. It is suitable for use on colourbond steel, car duco, painted gloss enamel doors, galvanised steel, aluminium and glass. This product is not suitable for use on plastics.

APPLICATION

Apply Graffiti Eater All Rounder with an applicator brush. Leave on graffiti for 5 to 10 seconds and then using a cloth or toothbrush, agitate gently. Don't try to remove all graffiti in the first application. It is safer to neutralise the area with Graffiti Eater Neutraliser, pad the area dry and reapply the Graffiti Eater All Rounder. Each application should break down the graffiti without damaging the underlying substrate. Rinse off Graffiti Eater All Rounder using Graffiti Eater Neutraliser chemical.
